

represent the diversity of companies at IPN LaunchPad. Startups selected for the Pitch Competition have been notified separately. Please note that all those selected for the Pitch Competition should still participate the 1-Minute Pitch Session and in Startup Alley.

For Founders only, on Saturday you will have the opportunity to participate in a **1-On-1 Mentorship Session** with an industry leader assigned to you when you check-in. The objective of these sessions is for founders to receive focused guidance and feedback from the insights and experience of these industry leaders. Each company will participate in one of the two 30 minute sessions, with the remaining 30 minutes to be used for *networking with other founders*.

Finally, we have also included a set of **supplemental disclaimers** in this packet that we wish you to review beforehand.

We look forward to meeting you and wish you a safe journey. If you have any questions that we can help with, please do not hesitate to contact us by emailing pvp@ipnonline.net.

Sincerely,
IPN LaunchPad Team
